Additional Guidance

If the event involves Junior (u18) players from another Club then that club also is also required to provide permission. This will require notification to that Club 10 days in advance of the fixture date to ensure that they agree to the use of photography or recorded images.

In order to identify the Photographer during the event they should wear Event Photographer bibs available from reception at the Southdown Club.

England Hockey Guidance for taking and using photographic and recorded images of young people is available on the Club's website (in addition to England Hockey's site).
